The safety of our guests is our top priority. All or some of the event may be canceled if inclement weather is predicted within 5 days of the scheduled date. We will monitor weather conditions closely and provide

updates as necessary. In the event of cancellation, attendees who provided an email address in the RSVP platform will be notified. We will also include weather-related updates on our website.

What should I wear?

We encourage guests to dress casually for this event. Comfortable shoes are recommended, as the event requires significant walking.

What if I have mobility limitations?

Most public areas during the event are ADA accessible, and paths are paved. The International Crane Foundation has a limited number of wheelchairs and electric scooters available for guests on a first-come, first-served basis. Sorry, no reservations. Guests are encouraged to bring their own wheelchair or scooter.

Who should I contact about becoming an Annual Sponsor?

Will there be tours of Crane City?

In past years, we've been able to offer tours of our crane breeding area, Crane City, at Member Appreciation Day. Due to heightened biosecurity measures, we will not be able to take you to Crane City this year. Thanks for understanding that we put the safety of our flock first. We have other behind-the-scenes experiences that you'll enjoy, and our crane care staff will be offering talks and demonstrations throughout the day.
